

Reviews & Reputation

The #1 local ranking lever, on autopilot.

Automated review requests, multi-platform monitoring, AI-drafted replies you approve in one click, and an embeddable review widget, all feeding the local SEO that reviews power.

What you get

- ✓ Review requests by text and email, automatically
- ✓ Monitoring across Google, Facebook and more
- ✓ AI-drafted replies with one-click approve
- ✓ Negative-review alerts before they become patterns
- ✓ Included in EVERY Local SEO package

WHO IT'S FOR

- Businesses a star behind their competitor on Google
- Owners replying to reviews at midnight (or not at all)

Pricing

With Local SEO

Included

in every package, from \$375/mo

Reviews only

\$99/mo

\$990/yr · standalone

Reviews are the top map-pack lever, so they ship inside Local SEO by default.
