

Cold Outreach

Reply-aware sequences from inboxes that actually deliver.

The outbound engine behind our Lead Generation service: warmed sending domains, sequenced campaigns, reply detection and CRM handoff the moment a prospect answers.

What you get

- ✓ Warmed, deliverable sending infrastructure
- ✓ Multi-step sequences that stop when they reply
- ✓ Reply triage straight into the CRM pipeline
- ✓ List management and suppression built in
- ✓ Reporting on sends, opens and conversations

WHO IT'S FOR

- B2B and high-ticket businesses doing outbound
- Teams pairing it with the Lead Generation service

Pricing

Lead Gen Setup

\$2,500

one-time infrastructure build
