

Lead Generation

A pipeline that fills itself while you run the business.

Outbound infrastructure plus ongoing campaign management: warmed sending domains, deliverable inboxes, sequenced outreach and reply triage that turns cold lists into booked conversations.

What you get

- ✓ Domain warmup + inbox infrastructure built right
- ✓ Copy templates and sequencing tested for reply rate
- ✓ List sourcing and hygiene
- ✓ Reply triage: warm responses land in your CRM
- ✓ Monthly reporting on sends, opens and conversations

WHO IT'S FOR

- B2B and high-ticket services that close on conversations
- Businesses whose next 10 customers are a named list

Pricing

Setup

\$2,500

one-time infrastructure build

Campaign management

\$1,600/mo

ongoing sequencing + triage

Setup runs once; management is month to month after a 3-month minimum.
