

Google Ads Management

Show up at the top the day you start.

Where SEO is the long game, Google Ads is the switch you flip today. Campaign build, keyword research, ad copy, conversion tracking and continuous optimization, all managed for you.

What you get

- ✓ Campaigns built for calls and form fills, not clicks
- ✓ Keyword research + ad copy written for Durango intent
- ✓ Conversion tracking wired before the first dollar runs
- ✓ Bid strategy tuned continuously, never set-and-forget
- ✓ Monthly report tying spend to actual leads

WHO IT'S FOR

- Businesses that need leads now, not in six months
- Advertisers burned by an unmanaged account
