

# Email Marketing Management

The channel you own. Managed like it matters.

Campaigns, automations, segmentation and deliverability, managed monthly: the list you already own becomes the most reliable revenue channel you have.

## What you get

- ✓ Broadcasts written, built and sent for you
- ✓ Automations: welcome, post-purchase, win-back flows
- ✓ List hygiene and segmentation that protect deliverability
- ✓ A/B subject testing (Growth+)
- ✓ DMARC alignment and deliverability monitoring at Premium

### WHO IT'S FOR

- Businesses with a customer list gathering dust
- Seasonal businesses that need November revenue in July
