

Web Hosting & Care

Fast, backed up, and never your problem at 11pm.

Managed hosting on enterprise infrastructure: SSL, CDN, daily backups and a human who already knows your site when something needs changing.

What you get

- ✓ Cloudflare-backed hosting with SSL + CDN
- ✓ Daily backups (7 to 90 day retention by tier)
- ✓ Performance optimization (Growth+)
- ✓ Staging environment and WAF rules at Premium
- ✓ Uptime monitoring at 1-minute intervals (Premium)

WHO IT'S FOR

- Site owners tired of slow shared hosting
- Businesses that want one local partner for site + marketing

Pricing

Essentials

\$40/mo

\$348/yr annual

Growth

\$57/mo

\$480/yr annual

Premium

\$72/mo

\$660/yr annual

An infrastructure add-on to a site or service engagement, not a standalone growth program.
