

Social Media Management

A feed that looks like someone runs it. Because someone does.

Organic content production, posting and community management across your platforms: photography, graphics, stories and replies, handled by people who know Durango.

What you get

- ✓ 3 posts/week to daily posting, by tier
- ✓ Custom photography (quarterly to monthly shoots)
- ✓ Short-form video at Premium (4 reels/month)
- ✓ Comment moderation and community management
- ✓ Story content and DM handling (Growth+)

WHO IT'S FOR

- Brands whose customers check the feed before they visit
- Owners done with the Sunday-night posting scramble
