

Email Marketing Studio

Campaigns that land in the inbox, not the spam folder.

Build, automate and send from one place: lists, segments, automations and broadcasts with deliverability handled by the same team that manages your domain.

What you get

- ✓ Drag-and-drop campaigns on your brand
- ✓ Automations: welcome, win-back, post-purchase
- ✓ Segmentation that sends the right message to the right list
- ✓ Deliverability infrastructure built in
- ✓ Every send tracked back to your CRM contacts

WHO IT'S FOR

- Businesses with a list and no time to use it
- Owners who want email + marketing under one roof
